Company Authorisation

I _____ authorize the above Contact Employee to become an Administrator of the GE Security On-Line Store on behalf of the abovenamed company.

I understand that this will enable the Contact Employee to order products against the company's GE Security account and as such, we will be liable for any purchase made by the Contact Employee.

Please tick the following to enable access and purchasing rights to your Contact Employee:

- I authorize the Contact Employee to purchase GE Security products without approval on the company's account
- I authorize the Contact Employee to purchase on the company's account provided that the particular purchase order does not exceed the approval limit:

Approval limit: \$_____

Signature

Date

Please note that submission of this form does not automatically give the customer access to the On-Line Store. Completion of this form only initiates the internal process. Account holders will be contacted regarding internal approval separately.
